THE TD'S REVIEW

WITH ***RAY WOOD, RUFC TECHNICAL DIRECTOR***

Hi Everyone and firstly may I say a big thank you to everyone who has made me feel welcomed at the club and also all of the coaches that we have recruited over the past few months its been great getting all of your support in the first 6 months in the job.

I would like to also recognise all of the volunteers at the club who give every spare minute they have to make this club operate on a daily basis whether it be for training, game days etc. There are too many names to mention from our volunteer base but I would like to thank every single one of you. You are all very special people by giving up your precious time it really is our biggest commodity time and you guys go above and beyond.

It will be a very challenging season for both Juniors & Seniors for many reasons but we now have in place some direction and identity from the Seniors all the way down to the Mini Roos on how we want the players to be developed over the next 5 years.

It's been a very exciting few weeks watching Cleberson and his team of amazing coaches get to work with the senior squad of players. I believe patience is the key for all teams at the club and I am asking that we all try to remember this that players can't be developed overnight. Development is key for me and sometimes we have to lose for the players to develop in the right manner or way. So when we lose sometimes we are actually winning.

The senior squads have had some great results last weekend and I think with a bit more luck on the pitch last week the top team could have went in at half time 2-0 up and the game against Strikers would have been very different in the 2nd half.

Cleberson has also took on the task of developing our U9s SAP team this year and it is a dream for me as a TD to see the head coach of the Men's team take on an U9s role. Keep up the great work Cleb.

Finally I am hoping everyone can come out to watch the 18s/20s & top team over the coming months and really get behind our teams! Please come and say hello to me if you see me around the club. I have not had the privilege to meet everyone yet but would love a chat with a few more members. Enjoy the game, come on you REDS!"

ONE VISION, ONE CLUB, THE REDLANDS WAY

DEVILS ROUND UP

with **Cleberson Souza Santos**

I thought last Friday's game against the Strikers was a good game.

The team was well disciplined and maybe we could have come off the field with a better result, but as a new, young team we have been getting the shape and what I want from them.

I think for our 3rd game we will be much more of a team. In my heart and mind I felt we needed 3 games to get the team dressed properly. I think against Brisbane Roar we will be more solid as a team and more compact defensively.

It was good to get our 1st goal for the season. You know a lot of people think we won't be competitive in the competition but we have proven ourselves and we want a lot more.

I have really enjoyed myself coaching the Under 9's. The young boys are very good listeners and I wish my senior team was like them, they really listen to the coach and we've had a lot of fun. You know the young boys in the senior squad are good listeners and it reflects in our improved performances. Its been good.

I was really happy for the Under 18's on Saturday when they achieved their 1st win of the season. It was good for the Senior group as well, the 1st and Under 20's, it shows what can be achieved.

In the right way, when we look at the whole picture, the way we started the season, the way the team is getting the shape right and getting everything together, I think we can get much more out of this 3rd game against Brisbane Roar on Friday night. So come on out and cheer and support the lads. Come On You Reds!!!!

Kuboyama scored 20 goals for the Red Devils in 2018. The fast forward will be instrumental up front this season and could be the one the club needs to overcome their goal scoring problems from previous seasons.

ROUND 2 MATCH REPORT

Redlands United found their feet at the first home game of 2019 season on Saturday night, narrowly missing out on the 3 points, going down to Brisbane Strikers 2-1.

In what was a highly anticipated match, Redlands were out to show the locals what the new line up was made of.

Friday night's game saw newly appointed head coach Cleberson Souza Santos exhibit the potential within the tea, missing out by the narrowest of margins.

With an exceptional midfield, Redlands saw new signing Fernando Perez lead from the back, getting the ball forward without significant contest.

A magnificent finish from Mario Perkic in the 34th minute put Redlands firmly in the lead.

Redlands continued to contest the remainder of the half going into the break 1-0.

A goal from Striker's key forward Zach Maltby found the back of the net with a scramble in the goal square catching Jack Richards off his line in the 51st Minute, and a second in the 84th Minute by Andy Pengelly, rounded out full time, Strikers taking the 3 points 2-1.

Souza Santos was pleased with the way the team played, saying the team had really come together over the preseason to deliver a solid Round 2 result. "We're eagerly awaiting the return of Murillo Gomez in Round 5, who will boost the forward line and see our technical game really take the team to the next level", he said.

Also of note were long time Redlands players Connor McAuley, Toby Hughes and Igor Sao Jose keen to make their mark in the senior squad.

Brisbane Strikers finally moved past their less than stellar record of another early season loss away from home, taking the win which has been a challenge, losing the first game in the past 7 NPL seasons in the first match away from Perry Park.

We're back again at the Showgrounds this coming Friday night, 15th February at 7pm as we welcome the newly crowned National Youth League Champions, the Brisbane Roar. The Under 18's and Under 20's are on Saturday at 5pm and 7pm.
